

HOW TO: GET INVOLVED WITH OUR FACEBOOK GROUP

The Hedland Collective Stronger Together Covid-19 Facebook group was created to encourage the community to support one another through these challenging times. It is also provides a great opportunity for Hedland Collective members and stakeholders to share information, resources, community events and ideas that will encourage the community to stay strong together. We'd love you to get involved and there are a number of ways you can do so!

www.facebook.com/groups/hcstrongertogether/

JOIN THE GROUP!

Feel free to join the Facebook group from your personal or business account.

Once you join, share the group to your Facebook feed.

SHARE IDEAS AND GOOD NEWS STORIES

If you come across an idea (such as the rainbow trail initiative), or local good news story from Hedland or anywhere else around the globe, we encourage you to share this in the group.

POST OR SHARE ONLINE EVENTS AND INITIATIVES

If you are hosting any online events or workshops, share these with the group.

You can share links to events you or your organisation are hosting, or post the details in the group.

If you come across any initiatives, promotions or opportunities (either your own organisation or someone else's), you can share these too!

UNSURE ABOUT CONTENT? JUST ASK!

If you are unsure if the content is relevant or don't feel comfortable sharing, feel free to email us at info@hedlandcollective.com.au and we can review the content.

If it is relevant, we will organise a time to have it posted through our schedule.

HOW TO:

GET INVOLVED WITH OUR COMMUNITY BOARD

The Hedland Collective Community Board website has been developed to support the community through a range of resources, event listings and links, and be a 'one stop shop' of sorts when it comes to surviving, and hopefully thriving, through this pandemic. Head to:

www.hedlandcollective.commonfutures.com

What you can find on the Community Board

- Links to health advice
- Local event listings, articles and good news stories
- A curated feed of free online tours, music and workshops from around the world
- Videos and How To's for using a range of technologies such as Zoom
- Links to a number of support agencies and resources

There are a number of ways you can get involved, here's how:

Share and promote the Community Board link to people you work with and others in your organisation and community!

Keep us posted about your initiatives and online events – we'd love to include these in our calendar!

Your organisation or group can even host your own community event through our channels.

Ask the people you work with and their families what things they would find useful and what they would like to see on the board!

Email us their responses so we can look into adding in the content.

Know an individual, group or business doing great things in the community?

Let us know so we can feature a story!
